

Nathan Fabian

Chief Responsible Investment Officer
Principles for Responsible Investment

@nathanafabian

Nathan Fabian is the Chief Responsible Investment Officer at the United Nations-supported Principles for Responsible Investment. He directs and oversees the PRI's Investment Practices, Active Ownership, Policy & Research, ESG, Climate Change and SDG activities. Nathan is also the Rapporteur for the Taxonomy Group of the EU Technical Expert Group on Sustainable Finance. He was an Observer on the EU High Level Expert Group on Sustainable Finance and part of the Secretariat for the UK Green Finance Taskforce.

Prior to the PRI, Nathan was the CEO of the Investor Group on Climate Change (IGCC) Australia / New Zealand. Previous roles include Head of ESG Research at Regnan, a provider of ESG research and engagement services; founding Partner of Full Corp Partners, a financial services and IT start-up company advisory firm; and Corporate Governance Policy Advisor in the Australian Parliament. He has also worked as a senior change management consultant for Arthur Andersen and as a market analyst at Krone, a German-based telecommunications company.

Nathan holds a M.A. in International Relations from the University of New South Wales, a BBus from the University of Newcastle (Australia) and is a Vincent Fairfax Fellow in ethics and leadership.
