Privacy statement

<p>This Privacy Statement describes, in accordance with the General Data Protection Regulation (EU) 2016/679, how the Bank of Finland/Financial Supervisory Authority (FIN-FSA) processes the personal data of data subjects stored in this personal data file system, and the rights of the data subjects.</p> <p>This statement has been published on the Bank of Finland website www.suomenpankki.fi/en/contacts/data-protection/.</p>
1. Name of the personal data file system
Open Data Service
2. Name and contact details of controller and contact details of data protection officer
<p>Bank of Finland (in respect of Bank of Finland's data collections) Business ID 0202248-1 PO Box 160 00101 Helsinki</p> <p>Contact details of the person responsible for the personal data file system: Head of ICT and Information Management Petteri Vuolasto Email: petteri.vuolasto(a)bof.fi Tel. +358 9 1831 (switchboard)</p> <p>Contact details of the data protection officer: Email: tietosuojavastaava(at)bof.fi Tel. +358 9 1831 (switchboard)</p>
3. Purpose of the processing of personal data and the legal basis for the processing
<p>Open data orders made via the Bank of Finland's online services are processed in the personal data file system. The data are processed because the electronic key required for the use of open data is tied to the user, and so that personalised email messages can be sent to the data users. When users register for the services they must provide an email address, firstname and lastname. Processing of data is based on consent.</p>

4. Categories of data subjects and categories of personal data

Categories of data subjects:

- Users of the Open Data Service.

Categories of personal data:

- Open Data Service user data include a firstname, lastname and email address.

5. Recipients or categories of recipients of the personal data

Personal data are processed only for the purpose of implementing the Open Data Service in the Bank of Finland. Personal data are not disclosed outside of the Bank of Finland.

6. Notification of possible transfer of personal data to a third country or an international organisation

Data are not transferred outside the EU or the EEA or to international organisations.

7. Period for which the personal data will be stored or the criteria used to determine that period

Personal data are retained for as long as a person has access rights to the system. Data are erased when the access rights are terminated.

8. General description of technical and organisational security measures

In order to protect personal data against unauthorised access, disclosure, destruction or other unlawful processing, appropriate technical and organisational security measures are used, taking potential risks into consideration. These measures include the use of secure equipment premises as well as administrative and technical information security solutions.

9. Rights of data subjects

The data subjects in the personal data file system have the right:

- to request from the controller access to personal data concerning them and the restriction or erasure of such data or to object to processing as well as the right to transfer data from one system to another.
- insofar as processing of personal data is based on consent, to withdraw consent at any time, without affecting the lawfulness of processing based on consent before its withdrawal.
- to lodge a complaint about the processing of personal data with a supervisory authority.
